

Acupuncture Program

Provider:

Length: 2,120 Hours

Website

<http://akinstitute.com/index.htm>

Places: Anchorage

Program category(ies)

Health Care occupations, training or industries

Through both classroom education and clinic experience, our graduates will be competent at designing and implementing effective treatment plans for the mainstream population. Our graduates will also be knowledgeable and realistic in their scope of practice and limitations, knowing when it is appropriate to refer a person to another medical source.
