Website

<http://www.lynden.com/awtc>

Places: Fairbanks

This workshop is designed for motor carriers who must comply with the Federal Motor Carriers Safety Regulations, 49 CFR Parts 350-399. Students will receive a complete review, interpretations and how to comply with the regulations. Students will receive instructions on how to prepare for and undergo an audit from U.S.DOT. Checklist will be provided. Target Audience: Individuals should take this course if they have responsibilities in transportation of hazardous materials for regulatory compliance, transportation management, dispatching, training, or safety.
